

NB1033PSSM-MD2

33 needle flatbed single chain stitch machine for simultaneous shirring and smocking with 9 different cams for various designs

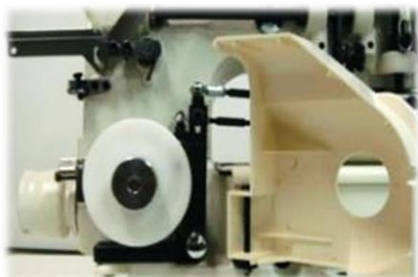

Front

Back

Photo: Double chain stitch (1433) model, MD2 device is not attached.

The cam is easily changeable without tools.

4 spreaders for the decorative thread increase the number of design patterns.

MD2 : Equipped with a metering device, the rubber threads are beautifully finished.

Fabric and thread anti-winding guard.

Can easily adjust the puller feed from outside

Lever type adjustment Enables to make partial shirring.

Dial feeding adjustment
