

NL5803GXP-BP

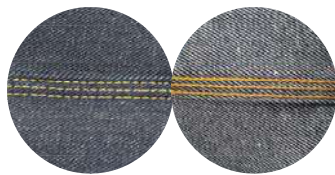

Chain stitch Machine with belt puller

PROTOTYPE

3 needle, flat bed, double chain stitch machine for lap seaming.

This model uses Kansai Special's original belt puller.

It is suitable for lap seaming on medium to heavy materials.

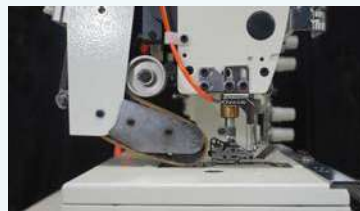

Features

KANSAI SPECIAL original belt puller

The original puller allows for powerful fabric feeding.

The two rollers firmly feed the fabric, allowing it to easily overcome the stepped parts of thick fabrics.

[User friendly functions]

■ Guide folder

It helps to form triple rolls and ensures a neat finished stitch.

■ Puller pressure adjustment

The regulator adjusts the pressure of the puller with a cylinder.
